

Free COVID-19 Vaccine Uptake Webinar

Please join the Saskatchewan Health Authority and the Division of Continuing Medical Education for a free "Come & Go" Webinar regarding your questions and concerns around COVID-19 vaccination.

Target Audience: All Health Care Workers

Date: Monday, March 29, 2021 - 6:00 - 8:00 PM

Learning Objectives:

At the end of this session, participants will be able to:

- Describe the COVID-19 vaccine development process for approved vaccines
- Develop an approach to addressing COVID-19 vaccine concerns for vaccine hesitant health care workers
- List intervals between doses for each COVID-19 vaccine and explain evidence for changes to these intervals
- Explain the timing recommendations for providing non-covid vaccines to patients who have recently received a COVID-19 vaccine
- Describe the most recent recommendations for COVID-19 vaccination in pregnant and breastfeeding patients
- Consider cultural influences that may affect vaccine views and uptake
